

"In any case, community is not about perfect people. It is about people who are bonded to each other, each of whom is a mixture of good and bad, darkness and light, love and hate."

SPOKANE

## WHO WE ARE

L'Arche was founded in 1964, and is devoted to celebrating the gifts and wisdom of people with developmental disabilities.

Founder Jean Vanier recognized the lack of homes for the mentally disabled and took it upon himself to create a safe place for people in need.

## OUR MISSION

We are people with and without developmental disabilities, sharing life in communities belonging to an International Federation.

Mutual relationships and trust in God are at the heart of our journey together. We celebrate the unique value of every person and recognize our need of one another.

## GET INVOLVED

### Volunteer

L'Arche is always looking for people who are willing to share their time with us at our homes or in the office.

### Donate

L'Arche is a 501(c)3 tax exempt organization. All contributions are appreciated.
